DEPARTMENT EXPECTATIONS

UI/UX

Led by **Kaushik**

Make technology easier to understand, use, and enjoy.

People and process

- Introduction to UI/UX and user-centered design
- User needs, personas, design thinking, and user research methods

Structure and visuals

- Information architecture, wireframes, and low-fidelity prototypes
- Visual hierarchy, layout, color theory, and typography
- Iconography and imagery

Interaction and evaluation

- Accessibility, inclusive design, and interaction basics
- Usability testing, feedback loops, and iterative improvements
- Responsive design, micro-interactions, and motion principles

Tools and communication

- Figma fundamentals, component systems, and consistent design systems
- Collaboration with FigJam or Miro
- Portfolio presentation and case study writing

Submitting an application does not confirm selection. Shortlisting and an offline round follow, and their date, time, and venue will be announced.
